Straw yellow with golden glints.

It opens gently, the nose is fine and extremely elegant.

It expresses itself with seductive white flowers, pear and peach, followed by a light note of eucalyptus, citrus and Mediterranean vegetation aromas, tempered by a fine marine sensation.

The palate is succulent and incisive; clean and deep.

It enchants with its purity and minerality, supported by a nice tension.

It closes with a long, savoury finish with tones of flint and verbena.
